Laminated Exam Tables
Models:
CCI8020, CCI8020-FH, CCI8020-AB, CCI8020-R

Assembly Instructions

Install Leg-
- Lay tabletop frame on flat surface with metal corner brackets flush to the flat surface.
- On each end of table insert a laminated leg with levelers facing up. **Note:** Brackets are loose on top frame to allow for proper aligning of holes.
- Secure legs to the end of the table frame by placing 1¼" fender washers onto the ¼" x 3 ½" bolts. Insert bolts with fender washer through the two outer holes on the end of the table. Place ¼" flat washer on to the bolt and secure with ¼" lock nut.
- Place 1 ¼" fender washer on to a ¼" x 3 ½" bolt and insert through center hole of the leg. Place 1 ¼" fender washer on to bolt and secure with ¼" locking nut. Tighten the five bolts then tighten bolts on the side of table.
- Once all bolts are tightened the brackets, legs, and top frame should be flush on the flat surface.

Install Shelf-
- Align brackets on shelf with holes in leg. Place 1 ¼" fender washer on to ¼" x 2" bolt and insert through hole. Place ¼" flat washer on to bolt and tighten with ¼" lock nut.

Install Table Top:
- Turn exam table upright and place padded top on to the frame. Place ¼" flat washer on to ¼" x 1" bolt and insert bolt through bracket and into tabletop. Tighten bolts and adjust levelers as needed.
