TALL PHLEBOTOMY CHAIR

1202-LXT

Tall Phlebotomy Chair

1202-LXT

The Tall Phlebotomy Chair is the ideal choice for blood draws in any medical environment. Clinics, labs and hospitals will find this chair makes phlebotomy procedures easier for patient and practitioner alike.

It's taller than most standard phlebotomy chairs, which makes it more comfortable for most patients. It also features padded armrests that are easily adjustable to allow for optimum blood-draw positioning for practitioners.

The chair also comes with a five-year warranty on the welded steel frame.

- Contoured Seat
- 23" ERGO Seat Height
- 8" Adjustable Arm Height
- Extra Wide Padded "L" Arms
- 400 lbs. patient weight capacity
