Mobile Supply Cart

GN1058S

Our GN1058S mobile cart is ideal for any situation that requires portable, lockable storage. The cart offers five spacious drawers, four of which are removable for easy customization, and reinforced aluminum frames for maximum strength and durability. The cart features 4-inch casters with locking brakes as well as the possibility to add a side tray or table for extra work surfaces. In all, 15 different customizable options are available to meet a range of specific needs.

- Standard 13½" Width
- 4 Removable Drawers
- Drawer Locking Rod
- Heavy-Duty 4" Casters
- 5" Gray or Blue Drawers
