# Portable Donor Bed

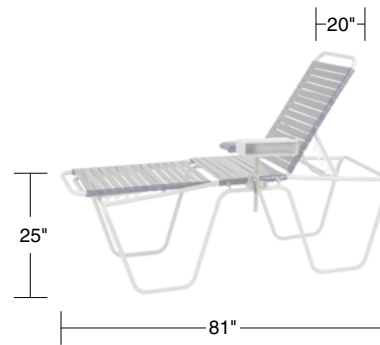

## JA2018

The JA2018 Portable Donor Bed is durable, lightweight and easy to transport within a medical facility or to off-site events such as blood drives. The reversible backrest lets the bed lie flat for patient comfort while the 8-inch adjustable armrest can be used on either side of the bed.

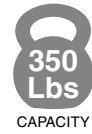

Available in 6 strap colors and 4 frame colors, the JA2018 can accommodate patient up to 350 pounds. The stackable design also allows for compact storage.

- Lightweight - Only 27 Pounds
- Stackable Design
- Durable Vinyl Strapping
- Reversible Backrest
- 350-pound Weight Capacity

**GSA Advantage!**

Overall 25"W x 81"D

**6 vinyl strap colors, and 4 frame colors**
