POWER BARIATRIC RECLINER

BA1508-B/EM

Bariatric Recliner

BA1508-B/EM

Our BA1508-B/EM Power Bariatric Recliner is designed with larger patients in mind and answers all your needs where comfort, strength and mobility are required. Made in the USA of heavy-gauge powder-coated steel, this recliner is built to last and has a patient weight capacity of 750 pounds.

The power recline is slow and steady providing a smooth transition from upright to reclined. The long-lasting rechargeable battery allows maximum mobility without needing to be near an electrical outlet.

- Power electric recline, 110V AC / 7.7 max amps
- Mushroom-shaped back for extra shoulder and head support
- Infinite recline positions, including Trendelenburg
- Long lasting battery allows for maximum mobility
- Hand-held controls and emergency quick release trigger
- 750 lbs. weight capacity
- Overall footprint dimension: 31" W x 72" D
- FDA and Health Canada Registered
