FOLDING PHLEBOTOMY CHAIR

JA1201-FC

Folding Phlebotomy Chair

JA1201-FC

Portable Phlebotomy Chairs need to be sturdy yet easy to transport and store when not in use. The JA1201-FC folds to a compact 8" and weighs only 26 lbs.

Donors will find the high-density foam seat and backrest comfortable. Practitioners will appreciate the padded armrests that can be locked in an upright position or left down to the side independently of each other.

The chair also comes with a five-year warranty on the durable, epoxy-coated steel frame.
